Auto service zoning dispute back to board

BY ED LEPOMA Staff Writer

The old adage, "It ain't over until the fat lady sings," might well apply to a case that has been bouncing between county agencies now for more than a year and a half.

Thursday, Albert Sanders and his attorney, James Gray, came before the Hancock County Planning and Zoning Commission in a public hearing to request a "Special Exception" to the Comprehensive Zoning Ordinance. The reclassification would give him permission to operate an auto shop and towing service in an area zoned A-1, which is largely residential and agriculture.

It was the second time the P&Z considered

Hancock County named in lawsuit

Case stems from July '99 car wreck

BY GEOFF BELCHER **News Editor**

Hancock County and a county employee were named as Thursday in Hancock Circuit Court stemming from a 1999 car

According to the suit, "on or about July 28, 1999, Barbara K. Seal was operating a vehicle owned by Jeralyn T. Wilson, in which (Wilson) was a passenger, on and along Bushlog Rd, in Bay St. Louis ... in a careful and cautious manner and was stopped, attempting to make a left hand turn off of Bushlog Rd. and into the parking lot of Best Pawhn Shop," when a vehicle driven by William D. Schwartz on county business struck Wilson's ear from behind.

Wilson, described in the suit only as a "resident citizen of Hancock County," said in the suit that she "received medical attention for acute spasm in addition to neck, back, and bilateral leg pain as a result of the

Mack Herring

Alabama-native had tremendous impact in Ms.

n Monday, Mack R. Herring will be laid to rest in his native city of Geneva, Alabama,

The first Public Affairs officer at NASA's Mississippi Test Operations (John C. Stennis Space Center) and later historian, a resident of Bay St. Louis, died Wednesday at Hancock Medical

Herring had the distinction of being named to his position of NASA's Public Affairs officer in 1963 at the newly named test facility in Hancock County by Dr. Wernher Von Braun. (the father of America's space travel) making him the first employee at the facility sent on a permanent

Needless to say, Herring was there from the beginning to the end of the late President John F. Kennedy's goal of America's placing a Man on the Moon.

Herring kept the world abreast of America's Premier Test Facility's testing of the Saturn V rocket engines through sweltering summers, mosquito attacks, bitter cold in winters, snakes, and the saddest day of the generation when President John F. Kennedy was assassinated.

He was there for the joys and failures, the biggest celebration of all when Apollo 11 landed Michael Collins, Edwin "Buzz" Aldrin, and Neil Armstrong on the Moon.

Herring was always available to the press, even during times when we were not doing well during testing, and he was always the same Mack R. Herring. He had time for each and all.

After retirement in 1990, Mack continued his association as the historian with NASA and the John C. Stennis Space Center. He compiled the most factual history of the Hancock County's testing facility ever produced, titled, "Way Station to

There were a lot of firsts for Herring, such as the first aerospace education program, and the visitor center, today known as the StenniSphere.

To his wife, Fave Bufkin Herring, children, bother, sister, many associates in the space industry, and friends in the community, we can say he was a true friend of ours.

Mack will be missed by many of us and will be remembered for what he did in Hancock County at NASA's John C. Stennis Space Center for many, many years.

Jackson Hewitt Tuition-Free Tax Courses Start Soon.

Graduates say they've learned an provides opportunities as a preparer during peak income-producing skill without taxing their wallets.

"It was a chance to improve myself and learn something valuable without paying a penny in tuition," Mrs. Warner, a retired administrative assistant said, smiling. "I couldn't resist."

She's referring to the Jackson Hewitt Tax course. Offered at this time each year, it provides graduates with the tax and computer skills they need to prepare returns.

"At first, I thought, 'Well, now I'll never have to pay anyone else to do my taxes.' And that's true. But last year I earned a very nice part-time income from January to April and I couldn't be happier." The full course takes twelve weeks to complete

and gives graduates the training to potentially earn extra money for the full tax season (about three months). Another option is a six-week course that COVINGTON

Successful graduates are offered interviews for employment with Jackson Hewitt. And many go on to work in one of the company's more than 3,000

offices around the country using their new skills. From college student to military spouses to retirees, graduates of the course say they've improved themselves as well as their pocket-books. "I'm not tied down to any one place," said Steve Newman, a college junior. "I can take this skill and earn extra cash in all fifty states. And my hours are my own. Although some graduates have a background in accounting, many do not. But once they learn on the state-of-the-art computerized equipment, they have no trouble preparing returns. "Now I tell people I moonlight as a tax whiz," Mrs. Warner said. "My grandchildren think it's cool.

Sneaky -- school board

Michelle Seal, an agent for Bay St. Louis-based Seal Insurance Agency Inc., told board members she "was a little appalled and distraught this week" when she received a letter from Statewide Insurance handling the board's property insurance policies.

She said her agency had represented the board since 1991; that she had a three-year agreement with the board with two years left in effect; and that she, personally, had worked urgently and ardently to save the board money on its policies.

"I don't think any of you will think that its fair for anyone else to be compensated for my hard work ...," Seal said. "It robs the agent in control of the account. ... It's not right or ethical to allow somebody else to come in and take over an account someone has worked so diligently on for the school."

Board President Cheryl Bennett told Seal that the board had had problems with the agency in the past, and had. directed school district employees at the Aug. 8 meeting to begin calling other local agencies for bid specifications. Based on the specs the board had recommended Statewide.

However, Bennett said, the

Still, Seal said, she thought "that was an underhanded, informing her that they - not - sneaky way of doing it, and I Seal Insurance - would now be think that everybody here knows it was."

Board member Larry Peterson said he strenuously objected to Seal's remarks.

Also on Thursday, Ladner delivered a letter to board members asking for an amendment to meeting minutes and admonishing the board for its action last week pushing through a job re-classification for a central office employee resulting in a pay raise without Ladner's recommendation.

"included in the information packages delivered to each member prior to the meeting of August 8 ... was a letter of request from the personnel. director than an increase from a .03 responsibility factor to that of .10 be considered," Ladner said in the letter, "This letter was intended as a discussion item under the superintendent's report. As you are aware with a motion and second from members of the board, this matter was added to the agenda as got in return, she said, Ladner an item for discussion with possible action.

superintendent."

Ladner said the letter was for the purpose of clarification only, and was not intended to show either approval or disapproval of the action.

Bennett told Ladner the board was merely re-visiting an earlier recommendation he had made, and had decided the increased responsibility factor was merited since the personnel director would incur greatly increased responsibility in light. of the fact that Ladner had decided not to hire an assistant superintendent.

In other action, the board: Approved Ladner's recommendations to accept the resignation of April McNally as a teacher at Hancock High and to hire Kathy Bond as a teacher at Gulfview Elementary; Nora Todd as teacher at Hancock High: Jacqueline Radley at hancock Middle; Pamela Jordan at Hancock High; Liles Puleo at Hancock North Central; and Cherie Labat as lodging and hospitality instructor at the Vo-Tech Center.

Echo Friday he continues to operate his towing service on

He said he was frequently called by the Sheriff's office in Pearl River County to come and pick up wrecked vehicles. Sanders said he was on the Hancock County Sheriff's towing list, too, but when he wasn't getting any calls, he came down to lodge a complaint with then-Sheriff Ronnie Peterson, who told him because of the P&Z Hwy. 43 in west Hancock and the Board's decision, he had to take him off the list. The case actually dates back

to Dec. 12, 1998 when Emily Teel agreed with the previ- and Nelda Carroll originally a "Conditional Use" to allow construction of a 30 x 40-foot metal shed on half-an-acre of a personal cars and for storage,"

One of the Carolls granddaughters, at that time, was married to Sanders.

The P&Z granted the

The shop is located on Alsobrook, off state Hwy. 43, a stone's throw from several residences, including the home of Adolph Kellar, the late supervisor of District 2.

Neighbors, especially those directly across the road from the shop, complained about the amount of traffic coming into the shop during the night and day, and about junked cars piling up on the lot and cluttering the roadway outside the shop

Last January, The Carrolls then went back to the P&Z to request the "Special Exception" that would allow Sanders to continue to operate his businesses. They said the young man had spent a considerable amount of money building and equipping the shop.

After a public hearing, the P&Z refused to grant the "Special Exception," and the Board of supervisors concurred in its decision. Supervisors also ordered the

Carrolls and Sanders to "stop all repairs of autos effective Jan. 14." But, Sanders, as is his right,

filed a Bill of Exception in Chancery Court less than 10 days after the ruling challenging the decision. Sanders was allowed to continue operating his businesses pending a decision by the court.

Last May, after more complaints from neighbors, supervisors hired Waveland attorney Ronnie Artigues Jr., to go to Chancery Court for a temporary restraining order and a told Sanders. permanent injunction against the Carrolls and Sanders.

By phone Friday, Sanders told the Echo, "It aint' over yet." He said he plans to again appeal the P&Z's decision to the Board of Supervisors, then to Circuit Court, if necessary

had killed him. But Kingston and defense

attorney James Tucker said in court that Gainey, in fact, conspired to lock Cowan out of the home they shared, then lay in wait for him in the darkness of the warehouse at Kingston's Patiff's business, Furniture and Antiques.

Gainey then shot Cowan in a rage," Kingston said, because Cowan had driven the boy

"Herman could drive anybody crazy," Kingston said. In addition, she told jurors,

Gainey may have even shot her if she hadn't automatically grabbed a .22 pistol and held him in a "Mexican stand-off."

Both Kingston and Gainey agreed that they conspired to

keep the murder a secret to protect Kingston's daughter and Gainey's then-girlfriend and now-wife Tiffany, who at the time was undergoing a very difficult pregnancy.

Assistant District Attorney Chris Schmidt, however, put witness after witness on the stand to testify about the case from start to finish, providing forensic evidence that bolstered Gainey's claims and ultimately swayed the jury to convict Kingston.

Although the mandatory sentence for murder in a noncapital case in Mississippi is life, Tucker asked Whitfield to consider "proportionality" handing Kingston's sentence. Gainey, who had pleaded guilty to being an accessory, received two three-year sentences, which will run concurrently, Tucker said, even though he felt Gainey was "obviously lying." Tucker implied that the

state had "immunized" Gainey

and unfairly subjected his client to a life behind bars. Whitfield disagreed, and told Tucker he would not waver on a \$250,000 cash bond Kingston if she was successful

in appealing the conviction. Kingston will begin serving the life-sentence in the state women's correctional facility at Jackson. In Mississippi, a defendant must serve at least 15 years of a life-sentence before being eligible for parole. Kingston is now 60 years old.

How can you create a financial strategy? You may wish to consult an investment expert. who has the tools and resources to help you develop a strategy that is suited to your individual needs. In addition, there are things you can do on your own. Here are a few suggestions:

• Identify your short- and long-term financial goals -What do you plan to do in five years? Ten years? Will you need to help your kids pay for college? What sort of retirement lifestyle do you envision for yourself?

These are the questions you must ask yourself as you chart a financial strategy. You don't need all the answers right away. But you do need to have a sense of where you want to go - and what it might take to get there.

• Pay yourself first - Once you've established some targets for how much you need to save, you'll want to take a good, hard look at your budget to see how much you can afford to put away.

Once you've done that, resolve to pay yourself first. Each time you get paid, have your bank deposit some of your money into an investment vehi-

When Roberts was found, he appeared to have been battered and beaten as there was blood on his face around his nose and mouth, Karl reported. He was dressed in a blue t-shirt, faded jeans and white tennis shoes.

Lambert said the entire investigator team from the sheriff's department are working on the case, which Karl is heading.

Hancock toddler battles for life

Benefit slated for Whitley McQueen

BY BENNIE SHALLBETTER

Staff Writer ittle Whitley McQueen is one of those people who just makes you smile when you see her. Her independence and bubbly personality come shining through on her little pixy face.

It's hard to imagine that this happy little girl has already fought so many battles just to be alive during her first year here. The human spirit is truly personified in this little bundle of energy, who is already starting to say her first words.

"Kids with Arthrogryposis are often gifted with high intelligence," said her mother, Priscilla McQueen of Leetown. "She's a smart little girl."

Whitley was born on Aug. 30, 1999, at Hancock Medical Center. The birth was normal, Priscilla says and done naturally, without the use of drugs. There was no reason to expect any complications, she said, and when Whitley was born, the medical staff gave no indication that there were prob-

Ixora produce color all summer

Southern Gardening

By Norman Winter MSU Horticulturist Central Mississippi Research & Extension Center

ne of the best flowering performers in my garden these last two hot, dry summers has been the ixora. From late spring through the first of August and counting, ixora produces almost nonstop bold, colorful flowers. If the color alone isn't enough, the deep green, glossy foliage serves as the perfect contrast for these large clusters of color.

The ixora is in the family known as Rubiaceae, making it related to the coffee plant and the gardenia. It has been around for years but in fairly small quantities.

There have been many more n the marketplace this year. As usual, they have been sold generically, but varieties like Nora Grant, Maui, Super King and Taiwan have turned up at garden centers. Many more hybrids are available and they will show up, as the demand warrants.

Ixora coccinea, the most popular species sold, is known as "Jungle Geranium" and "Flame in the Woods. " Rather than being a tropical annual, it is an evergreen shrub native to Sri Lanka. Sumatra and the South Pacific. The colorful flowers are borne in large clusters and come in bright shades of yellow, pink and red.

They have been for sale in small 4-inch containers all the way to 2- and 3-gallon sizes. The price for the large sizes have been very reasonable in most parts of the state. In fact, the prices will make you want to plant them in the landscape

Whitley will have to wear the ribs until she is at least 14.

McQueen said the family is under a tremendous financial burden. To try to ease that burden a benefit for little Whitley will be held at the Dupont-Kiln-Delisle Recreational Area Hall at 6PM on September 30. A donation of \$25.00 admits two people. Music will be by Country Classic.

A spaghetti supper will be served and a draw down will begin at 6.30, but you don't have to be present to win.

If you would like to make another donation, a special account has been set up for Whitley at Hancock Bank. All area branches are accepting donations.

Now the heat of summer is here and I realize, as I work with the brush on Holly's lustrous long black fur, that both he and Jennie are shedding deep hum. I looked around, not their winter coats.

When I let him go and he joins Jennie on the grass, I can see that their glossy new summer coats look good on both of them.

Later as I vacuum and sweep around the house, I find that they have been shedding quite a bit of hair. I repeat the vacuuming later in the week and soon, Stella drops a mention about not seeing any more fur balls.

feet of bed space. If you buy a smaller size to grow up as a tub specimen, choose at least a 10-inch container and fill with a good, light potting mixture. Plant at the same depth it is growing in the container.

Fortunately for gardeners in Mississippi, the ixora prefers acidic soils which are pretty widespread throughout the state. Even so, you will still want to incorporate 3- to 4inches of organic matter during bed preparation.

During the growing season, feed container-grown plants every two weeks with a complete fertilizer for acidic plants that contains minor nutrients. Feed monthly during the win-

In the landscape, feed about every four weeks with the same fertilizer. The minor nutrients are important to keeping healthy foliage. The biggest complaints from growers are leaves that develop a chlorotic color. Regular fertilization will take care of this.

Keep them well watered and mulched during the summer. If you want to keep yours, remember to take it indoors before freezing weather. Once indoors, cut way back on water and fertilization. Don't forget that the leading cause of death to houseplants is over-watering.

Ixora's foliage and flower give it the ability to be combined in the garden with other tropical plants. This year I am growing mine in a smaller bed with the saddle-leafed philodendron, philodendron selloum, which also deserves to be planted in landscapes beyond the Coastal counties. They would also look nice with upright elephant ears, bananas and can-

The ixora may be an extra good buy right now as we are entering that transition time before fall plantings. If you find them, you can still get a couple of months enjoyment from them before worrying about moving them to cold-weather protection. Next spring, you will be off and running with a larger plant.

Try the ixora, and you may find it is one of your favorite tropical plants, too!

Jamison entertains at Mike's Place

Mikes Place, located on Hwy. 90 next to the Brass Anchor is throwing a party, and they want everyone to come. The newly renovated lounge, a short drive down 90 toward Stennis, is hosting country western singer Jamie Lee Jamison as the featured entertainer. The party will also be a fund

raiser for Hope Haven Children's Shelter and will feature raffles, door prizes an auction and plenty of good food. All profits from the event will go to the non-profit shelter that cares for local abused and neglected children.

It all takes place at 3 pm, Saturday, August 26 and it will be outside of the lounge, so children are welcome. For more information, call 216-1115.

Bay High Tigers looking to ride defensive momentum in 2000

BY MAURICE SINGLETON JR.

The Bay High Tigers are rallying behind the momentum of the team's defense as they prepare for the upcoming season. The Tigers closed out last season with three solid defensive performances which carried over to the spring game.

"The defense has got some, momentum coming from last year," said first-year head coach Glenn Williams who coached the Tigers' linebackers and special teams last year. "They had three or four good games early in the season last year and played real well the last three games. And that carried over into the spring game against St. John.

"As far as expectations of

that I expect them to put all that hard work to practice in games," Coach Williams added. "We are trying to relay an attitude of high expectations."

The Tigers' defense will change a little from a four-four to a four-three, meaning that they'll play three linebackers instead of four. One linebacker will be more of a rover, adjusting to the run or the pass as the opponent dictates.

On offense, the Tigers will be operating out of the multiple I formation, which will entail the basic I, the Power I and the slot formation. Coach Williams is anticipating a runpass ration of approximately 65% run and 35% pass.

"The I (formation) gives you a better opportunity to run or the season. Lam expecting the pass and not let the defense

"How much we run or pass will depend on what our opponent gives us."

Junior quarterback Adam Barrett will be calling signals for the Tigers, filling the shoes vacated by his older brother Ty Barrett. Seniors Willie

and Aaron Whavers Frommeyer will be the primary running backs out of the. 1 formation.

Senior Tristen Haynes, who started last season as a cornerback is expected to split his offensive duties between running back spot and line up as a receiver. Micheal Simpkins a 6'3" junior lineman has moved to tight end on offense.

Coach Williams admits that the offense is a little less experienced than his defense, but he feels that he gets a little with the schedule by

"The first three games are going to set the tempo for the whole year," said Coach Williams, "Familiar surroundings and I think our fans are going to be out in numbers to see how we're going to do."

The Tigers open the season against D'Iberville on August 25th. They play Long Beach and Vancleave at home the following two games before traveling to Poplarville. The following week they begin district play, hosting Pearl River Central for homecoming.

The schedule concludes with six district games against Oak Grove, Petal, Picayune, Columbia, Hancock and St. Stanislaus.

Rocks look for leadership to continue recent success

BY JOSEPH W. GEX II

If you listen closely, you can hear the crack of the pads. The blowing of the whistle. And, possibly, you could hear a few yells of disgust and some cheers of adoration. It must be getting close to that time of year again. Yes, it's football séason.

The St. Stanislaus Rock-achavs are no different than any other high school team along the Mississippi Gulf Coast during this most crucial time of the year. SSC has been working in the heat with twoa-days to put the final touches on their depth chart and game plan in preparation for the first game of the high school season on August 25.

SSC is currently preparing

for the start of their 85th season of high school football in Bay St. Louis. The 2000 gridiron season is one of excitement and anticipation. Since 1916, SSC has traditionally fielded very competitve squads. And, the 2000 season is no different. The recent success of SSC football can be attributed to the style of play brought to the school by fourth-year head coach Dave Kenson. Prior to his arrival before the season of 1997, the area had not seen a wide-open aerial attack in high school. That all changed with Kenson. He has a 16-18 record in three seasons with the Rocks and an overall record of 82-82.

As Kenson starts his fourth season at the helm of the Rock program, there are four seniors that started with him on the journey that has seen a Rock football resurgence. Those seniors are quarterback Jason Santiago, running back Kris Cannon, linebacker Cameron Byrne, and center Hunter Dawkins. These four freshman players were starters when Kenson took the reigns in Bay St. Louis back in 1997 and haven't lost their spots on the roster since. It will be these four players, along with seven more seniors. that will be key elements in the Rocks' quest for continued success on the gridiron.

Cannon enters the season as the career rushing leader in SSC football history and the top returning rusher in the state in Class 4A. Last season, Cannon rushed for a school record 1.619 yards. Santiago assumed the quarterbacking duties during his freshman campaign and his aerial assault on the record books will continue this season. Santiago set a single-season record of 1,600 yards passing last year for SSC and is the top returning passer in the state in Class 4A. Santiago will begin the season just 217 yards shy of the career passing mark at SSC set by Cedric

Smith during the seasons of 1987-89.

Byrne will once again prowl just beyond the line of scrimmage on defense wreaking havoc on quarterbacks and running backs alike. Byrne recorded 140 total tackles last season which broke the old single-season record of 137 by Tom Brenan in 1998. Byrne has a career total of 340 tackles which is tops in SSC history. Dawkins, perhaps the most unsung of the four SSC horsemen, returns for a senior campaign in the trenches at the center position. Dawkins has been an integral part of the recent SSC success on both sides of the ball as a defensive offensive 'lineman. Dawkins, the spiritual leader of the team, has his work cut out for him getting the line to play in sync with each other.

Kenson commented on the four-year starters, "They started with me four years ago when I came to SSC. These four players have gotten better each season. They are the ones that we will count on to help our team grow and devel-

Other returning senior stars for Kenson are LB Joseph Bruno, WR Brandon Rayborn, WR Grady Willis, OL Jesse Battle, OL Neil Favre, P/K Taylor LaFonaine, and

WR Mike Ryan. All but Ryan grew into effective starters during last season's 8-3 campaign. Ryan, a standout basketball player, looks to add a boost to the receiver and defensive back corps during the 2000 season.

Bruno is a returning starter at linebacker for the Rocks while Rayborn returns at one of the wide receiver positions. Willis was the team's leading receiver last season and looks to add more yards to his total this season. Battle was a linebacker last season and has made the switch to offensive line during the off-season to help solidify the offensive front. Favre was a starter at tackle last season and has been moved inside to guard this season. Favre was a major reason why Cannon led the state in rushing last season. LaFontaine was the team's leading punter last sea-

son and will take over the placekicking duties this year for the graduated. Charles Reymond. LaFontaine made the game-winning field goal two years ago in overtime against the Bay High Tiges in the season finale.

Some other top newcomers for the Rocks this season will be Darius Acker at wide receiver and cornerback, Frederick Mallini on the offensive line, and Gabe Willis at wide receiver.

The Rocks had some major holes to fill during the off-season. Namely, the Rocks had to fill the void left by All-State performer and LSU signee Stephen Peterman. This departure left holes at tight end and defensive end. Willie Golden, an All-Coast selection at guard, will be missed up front. Another outstanding offensive lineman lost due to graduation was Travis Fucich.

Kicker Charles Reymond leaves a void to be filled. Reymond kicked a 49-yard field goal with :00 left to defeat Petal 24-23 last season. It was the second longest kick in SSC history next to Rob Betcher's 52-yarder in 1986.

Aaron Dunklin and Brandon Lewis, both quality receivers and defensive backs, will be missed by Kenson and his staff. Dunklin will be playing for the Pearl River Community College Wildcats this season. Finally, team leader D'mitri Sofianos was lost to graduation. The President Cup winner was the driving force behind the Rock Express last season. His void will be most difficult to fill.

In terms of the holes that the Rocks need fill, Coach Kenson stated, "We have only two starters returning on

Pass High Pirates Seeking Winning Season

BY MAURICE SINGLETON JR.

Pass High's varsity football team is anticipating a winning season as the Pirates attempt to improve on last year's 1-9 season. Second-year head Coach Bo VonderBruegge believes that his team has a good balance of talented and experienced players to put the Pirates' football team on the winning track.

"I expect us to have the very, very tough schedule, so our players are going to have to step up early for us to have the success we are expecting."

Junior quarterback. Kalvin Woods, has a year of running the Wing-T offense behind him. Senior Andrew Moffett will line up behind Woods in the fullback spot; sophomore Maurice Hardnett

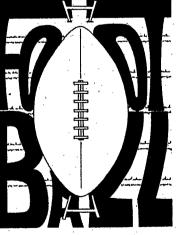

is the halfback; and junior Richard Dedeaux will vary the scheme as the wingback.

"I expect that Andrew Moffett is going to have a big part in our success this year," added Coach VonderBruegge. "With his speed and ability, he's a threat every time he touches the ball.

"Kalvin will be the team leader, offensively and defensively," added VonderBruegge. "He's always been a natural first winning season in the leader. He carries himself well. Pass in six years," said Coach The kids all respect him VonderBruegge. "We have a because of his ability. He's just a natural leader. He has that innate leadership ability."

The Pirates talented backfield will be relying heavily on the experience of two key players in the trenches. Threeyear starter, Michael Ulrich, and two-year starter, Tommy Boswell, are expected to lead potent offensive team.

The second section of the section

rney both have worked hard," said VonderBruegge. "We ran behind them 70 percent of the time during the spring game. Now on the other side of the line, we have a lot of inexperience."

On defense VonderBruegge is hoping for more of what he the way for what should be a saw of three players who stood out in the spring game. Rovell . hosting Lumberton. They trav-

about Pearl River Community College's chances heading into his sixth season as head coach of the Wildcats.

Four offensive and six defensive starters return this season with hopes of bettering last year's 3-7 record.

They are both physical and athletic players," Daniels said.
"Andre started a few games last season and will enter the preseason as our No. 1 guy, but Terion was impressive during the spring and will be in the thick of the race."

Keith Daniels is optimistic throws for 465 yards with four interceptions. He rushed for 184 yards on 93 carries, second best on the team, while finishing tied for second in scoring with 24 points.

Freshmen Seth Smith (6-2, 205) out of Pearl River Central and Jamie Powell (6-1, 170) out of East Marion round out the Wildcats' quarterback field.

Anchoring the fullback spot will be Avery Hatten (6-2, 250) of Hattiesburg, a North Forrest recruit who led the Wildcats in rushing last season with 463 yards on 86 carries (5.38-yard average). The All-State honorable mention selection finished the season tied with Granger in

Avery is one of the better players on our team and has the size, strength, and ability to move on to the next level," Daniels said. "We're expecting even greater things from him this season.'

Two freshmen will see backup duty at fullback in Clayton Bales (5-10, 210) out of Picayune High and Reg Woullard (5-11, 220) out of Hattiesburg High. Bales was the "Most Valuable Player" in the 2000 Mississippi High School All-Star Game this summer. Woullard possesses exceptional toughness.

"Both are quality players," Daniels said. "Reggie is a prototypical I-formation fullback and has the strength and toughness

to become a good junior college player."

Three freshmen are vying for the starting running back spots in Perry Tisdale (5-11, 205) of Purvis, Darryel Williams (5-9, 175) of Hancock County, and David Jackson (6-0. 215) out of Forrest County

people returning at running back, but these three guys have the talent and ability to become productive players," Daniels said. "It is an important position and we're hoping a keen competition develops during the preseason."

Center Brandon Thornhill (6-3, 260), out of West Marion High School in Foxworth, is the only returning starter on the offensive front. Thornhill could be the sole sophomore on the Wildcats' offensive front, as Brad Stephens (6-5, 280) of Sumrall, who saw some starting duty at tackle a year ago, is still hampered by a back injury suffered last sea-

"Brad is still not at 100 percent and Brandon could be our only experienced guy up front. But our new guys have the size, talent, and hard-work ethic to get the job done, Daniels said.

Freshmen shooting for starting berths at tackle include T.C. Chambliss (6-3, 265) out of Forrest County AHS, Bert Hopgood (6-3, 275) out of Bay High, Antonae Ladner (6-5, 260) of Lumberton, and Ryan Lee (6-6, 280) out of Pearl River Central. Adam Johnson (6-6, 290) of Poplarville suffered a season-ending knee injury the first day of practice.

The two guard spots will also be occupied by freshmen. Starting candidates there include Drew Causey (6-2, 290) of Petal, who played with Bales in the recent high school all-star game; Rod Parker (6-0, 270) of Poplarville, and Steven Carpenter (6-0, 260) out of Pearl River Central.

Freshmen Jason Bennett (6-2, 215) out of Pearl River Central and Otho Graves (6-4, 230) of Bassfield are expected to be in a heated battle for the

tight end position. "We feel very good about that position," Daniels said. "After we signed Jason and Otho, we had no reservations about moving Anthony (Bullock) to the defensive side. Those two are very talented football players and should contribute early in their

careers." Hattiesburg's Keshan Thompson was selected by the Fudge (6-0, 180) returns as PRGC coaching staff to wear

one of the top wide receivers and kick returners in the state. One of the fastest Wildcats with a 4.4-second time in the 40-yard dash, Fudge finished his freshman year as The River's top receiver with 357 yards on 12 catches (29.25 yards per catch) and a touchdown. He was also the "We have no experienced state's fifth-best kickoff returner with a 24.3-yard average on 11 returns.

"Keshun is our big play guy," Daniels said. "He had a good freshman year and we're expecting even greater things from him this season. Keshun has the desire and ability to become an impact player here and on the next level."

Freshmen Aaron Dunklin (6-0, 175) out of St. Stanislaus in Bay St. Louis, Logan Williams (5-9, 160) of Picayune, and Reggie Smith (5-8, 160) out of Forrest County AHS will be vying for the second receiver spot.

Defensively, Pearl River sees a bit more experience, but up front tackle Derrick White (6-2, 255) of Hattiesburg is the only returning player.

Daniels says speed at the down positions should offset any inexperience.

"Our down people on defense are like those on offense...practically no experience," he said. "But I feel good about the situation because of our speed at those positions. We're blessed with speed up front,"

Defensive end Anthony Bullock (6-3, 227), a sophomore out of East Marion in Columbia, saw part time starting duty at tight end a year ago, but was moved to the defensive side in the spring. Daryle Whitsett (6-3, 275) of Hattiesburg, Aaron Aultman (6-4, 225) of Prentiss, John Allen Goff (6-2, 230) of Picayune, Jeremy Hartfield (6-4, 220) of Purvis, and Antonio McElroy (6-3, 275) of El Dorado, Ark, will be vying for the other starting spots.

Sophomores will anchor the inside linebacking corps. Picayune's Michael Watts (5-11, 245) and Corey Johnson (5-11, 222) return after solid freshman campaigns, while, Steve Odom (5-9, 192) of Columbia, and Jay Beech (5-11, 183), a Pearl River Central product, will also see action. Newcomer Rico Mark (6-3, 221) of Columbia should develop into a solid player.

Bassfield sophomore Larry Thompson (6-1, 185) will see double duty at outside linebacker and free safety.

the late Wildcat tight end Juan Mariner's No. 18 during the 2000 season. Mariner was killed in an automobile crash two games into the 1997 season and a special player has been selected to wear his jersey number every year since.

"Larry is one of the better players on our team," Daniels said. "He is a tremendous athlete and person and is very deserving of wearing Juan's jersey. We're looking for even greater things from him this vear."

sophomore Lumberton Terry Sibley (5-10, 185), who saw starting duty at OLB last year, returns, while freshman Tim Landers (6-0, 195) of Pearson, Ga., will also see plenty of action.

Three freshmen are battling for playing time at free safety in Davin Roberts (6-0, 185) of Picayune, Taylor Hudson (6-0, 190) of Purvis, and Darrell Abram (5-11, 175) out of Columbia High.

University of Southern Mississippi - USA

By RALPH D. RUSSO Associated Press Writer Miss. HATTIESBURG, (AP) Jeff Bower is tired of Southern Mississippi being portrayed as the little program that could.

'I'm offended by it," he said. The Golden Eagles finished 1999 ranked 14th in the hation and begin the 2000 season 23rd, yet their coach still sees his teamlabeled by many in the media as an overwhelming underdog when it plays traditional power schools.

"What do we got to do? Obviously, you've got respect for us. You ranked us No. 23 in the country," he said referring to the sports writers who vote. in The Associated Press Top 25. "Then we get the quesplayingbig schools and your schedule is really tough. It's going to be an upset if you

Southern Miss opens the season on Sept. 2 with a victory at like Southern Miss being No. 12 Tennessee or if the Golden Eagles beat No. 3 Alabama in Tuscaloosa two weeks later.

But Bower's point is that Southern Miss has narrowed the gap between itself and the likes of Alabama and Tennessee and it shouldn't be satisfied with just a strong showing when it plays national powers.

"I made this statement to our fans You've got to thinkbig," he said. "You've got to expect big things to happen. You'vegot to believe big things kept Southern Miss from beatare going to happen. If you don't you're not going to be big."

Running back Derrick Nix tions (about) big teams. You're likes to put a different spin on Southern Mississippi's challenging season opener. Everybody says we have a tough game. Tennessee's got a It will be an upset if tough game coming, too," he

said. Bower says he doesn't referred to as a "giant killer."

Especially, because Southern Miss hasn't killed a giant in quite some time. The last time the Golden Eagles knocked off a nationally ranked nonconference team petitor" was 1991.

Last season, Southern Miss. was 9-3 and won a second straight Conference USA title. going undefeated in the league. All the Golden Eagles' loses came on the road to ranked opponents.

shortcomings Offensive ing Nebraska, Alabama and Texas A&M, so Bower decided that unit needed an overhaul.

He fired four offensive coaches and lured Chris Klenakis from Nevada to be the offensive coordinator.

Klenakis' wide-open offenses at Nevada set 24 NCAA records in his four seasons as coordinator. The new system uses the pass to set up the run, says Klenakis. The Golden Eagles will spread the field with three-receiver, sets and throw more short routes.

"(The offense) has the flexibility and the availability to take what the defense gives you," Klenakis said. Early indications are that the system, which requires more decision making by the quarter-

Jeff Kelly. "I don't think there is any system Jeff Kelly couldn't learn."

Klenakis said. "He is one of the most intelligent kids I have ever been around. He is a great leader and a good com-

Kelly, who threw for 2,062 yards and 14 touchdowns last season, will not have the two most prolific receivers in school history to throw to this season.

Todd Pinkston and Sherrod Gideon were both drafted by NFL teams in April.

"We feel like we are going to have a nice receiving corp," Klenakis said. Shawn Mills, Leroy Handy and Dannye Fowler are expected to be the starters in the three-receiver set. Those three combined forjust 44 catches in '99.

The expectations are very high," said Mills, the team's only senior wide receiver.

Bower said he was initially worried about his receivers,

back, is a good fit for junior but their play in the spring alleviated those concerns.

The offensive line, a young unit that struggled greatly against nonconference opponents last season, will return three sophomores who started a year ago.

While the talk around Southern Miss has focused mostly on the passing game, the Golden Eagles' won't be one-dimensional.

"(The offense) also has a very good running game to it," Klenakis said. "It's kind of a misnomer ... people think that it's all passing."

Nix became the first Southern Miss player ever to reach 1,000 yards rushing in his first two seasons and won't be underutilized this year.

'Derrick's such a great athlete." Klenakis said. "He's got the ability to catch the football as well as run with the football. We will have to be creative and find ways to get the football in Derrick's hands."

Best bets: The Eagles will be the top defensive team in C-USA. Southern Miss will not start the season 3-0. Nix will have his third straight 1,000-yard rushing season. Kelly's numbers will improve in the new offense. Question marks: Can Southern Miss win one of its first two games on the road against Tennessee and Alabama? If the Eagles do, they should soar in the rankings. Will the inexperienced receiving crops allow Kelly to have a breakout year? How much will the defense miss Adalius Thomas' big plays and T.J. Slaughter's consistency.

The Gulf Coast Stingrays

BY DWAYNE BREMER

The Gulf Coast StingRays are making a big splash in the NAFL early on this season? The StingRays currently rank as the #10 team in the 40 team. leauge. The StingRays are also joined in the top ten; with divison foes the Louisiana Hurricanes and the Memphis Samurais, "I think that it is a tribute to football in the south," said head coach Matt Karl. "Having three of the top teams in one conference increases rivalries, and helps the competion levels."

The StingRays started the season with a pre-season loss to the Samurais. They have since gone on to win their first three game of the regular sea-

In week one the StingRays traveled to Baton Rouge, and came home with a 6-0 victory. The StingRays dominated the entire game, but it took and overtime touchdown by Brian Laneaux to secure the victory.

The StingRays then delighted a large home crowd, by defeating the Louisiana Gators 23-0 in week two. The StingRays defense recorded their second shutout in a row. and held the Gators to negative yardage in the game.

Week three was a challenge for the StingRays as they faced the Central Alabama Renegades. After trailing for most of the game, the StingRays rallied late to pull out an 18-15 victory.

In week four the StingRays will travel to Hammond to face the winless Hammond Stars. In week five, the StingRays will return home for a showdown with the #6

Louisiana Hurricanes. "We are not looking past Hammond, but next week's game is going to be huge." Karl said.

The StingRay defense has been the big story this year. Saawaa "Jacco" Cooper leads the league with seven sacks, and three fumble recoveries. Thomas Mclure and Steven Maxwell both have 3 and 1/2 sacks, and Desmond Smith has three sacks. Cornerback Terrence Dickerson has collected three interceptions, while Joseph Knowling has two interceptions and two fumble recoveries. Keith Smith, Rodney Conway, Dwayne Antoine, Tyrone West have also played very well for the Stingray defense.

The StingRay offense started off slow, but has picked up steam in recent weeks. Runningback Brian "The Locomotive" Laneaux leads the StingRays with 309 yards on 58 carries. Bobby Franklin is averaging nine yards per run, and Larrone Lewis has chipped in for 133 yards. Charlie Mitchell has taken over as the starting quarterback, and his numbers continue to improve. Mitchell is completing 50 percent of his passes on the year. Mitchell has thrown for 334 yards, and five touchdowns. Moe Owen leads the StingRays with 10 catches, and Jason McGill has proven to be a big play receiver with nine catches for 163 yards, and three touchdowns.

The StingRays play all of their home games at St. Stanislaus. The next StingRay home game will be on August 26th, against the Louisiana Hurricanes.

Mississippi State University - MS

BY RALPH D. RUSSO

Associated Press Writer STARKVILLE, Miss. (AP) Mississippi State's talkative and talented cornerback Fred Smoot thinks he knows what it'll take for the so-called experts to stop overlooking the Bulldogs. "I say to get respect you can't go 10-2 like we did last year. We have to go 13-0 and win the national championship," Smoot said. "That's the only way we're going to get respect and we're out to get it this year."

Another college football season is about to begin with Mississippi State on the outside of The Associated Press preseason Top 25. But the Bulldogs have developed a reputation of proving pollsters wrong. In 1998, Mississippi State started the season unranked and went on to represent the Western Division in the Southeastern Conference championship game. Mississippi State went from unranked to eighth in the country last season, before finishing 13th and matching the school-record with 10 victories. "It bothers me," Smoot said of being unranked. "To me it puts gasoline on the fire. Now we're even madder. We already say we don't get respect. They don't give us anymore respect this year."

Mississippi State's schedule

was what many pointed to as the reason the last year's Bulldogs went largely overlooked nationally. The Bulldogs didn't play Tennessee, Florida or Georgia last season and only beat one opponent who finished the season above rupt an entire offense. Fred-.500. That'll change this sea-Nonconference road games against a pesky Memphis team and BYU open the season. On Sept. 30, the Gators come to Starkville for the first time since 1992. I'm ready for Florida," said Smoot, who is one of just tworeturning starters on defense that was ranked No. 1 in the country. The defense carried the Bulldogs to their 10-2 record and first bowl win under coach Jackie Sherrill, as the offense sputtered throughout the sea-

"What people don't realize is we lost names, not players," said Smoot. In 1999, the Bulldogs' defensive backups, especially on the interior line, played nearly as much as the starters. "I think they forgot about us," senior defensive tackle Toby Golliday said. Golliday, along with senior Ellis Wyms and junior Dorsett Davis will move into the starting lineup this season. Senior Willie Blade provides depth for a unit the may not be as deep as last season, but may be more talented.

Smoot, a 6-1, 179-pound senior, is the star of the Bulldogs' five-man secondary. Just ask him. "I feel like I'm one of the best in the country, if not the best," he said. Sherrill said Smoot has the ability to disis an athlete that has size, has speed, has quickness and also has the mentality of a defensive back," he said.

With the departures of Cooper, Barrin Ashley Simpson, Cornell Menafee and so many other veterans, Smoot says he has also taken it upon himself to be a team leader this season.

"I have to take over the leader spot and not worry too much about myself, but worry about my team," he said. "Everything else will fall into place." Pig Prather, the other returning starter, made a smooth transition from running back to safety last year. Eugene Clinton will man the other safety spot. Sophomore Josh Morgan is the free safety and senior Kendall Roberson will play the corner opposite Smoot.

Linebacker may be the biggest question mark heading into the season. The unorthodox _ to say the least _ style of defense that coordinator Joe Lee Dunn deploys usually relies on just one true inside linebacker, though

safeties often play close enough to the line to look like backers.

Senior Barris Grant was expected to be the starter, but he suffered a severe knee injury in April, and his status may not be determined until the season starts.

Dunn may be the true MVP of the Bulldogs' defense. Nobody ever knows what coach Dunn is going to do next," Smoot said. It was unclear if he was referring to the Bulldogs or their opponents, though it's probably both. It may be tough for the defense to match its numbers from last season when Mississippi State led the SEC in every major defensive category. But the Bulldogs believe any slip in the defense's performance should be made up by a much improved offense.

We went into the summer thinking if the defense wants to rely on us this year they can," said Justin Griffith, who along with Dicenzo Miller and

Dontae Walker, will share the bulk of the carries. 'The offense has to be better." The Bulldogs ranked eighth in the SEC in total offense and their running game slogged along with at 3.1 yards per carry. To its credit, the offense did have a knack for making big plays late in games. Often, though it was backup quarterback Matt Wyatt making those big plays in relief of starter Wayne Madkin. Wyatt is gone now, but Sherrill says he's confident Madkin, now in his third year as a starter, will continue to progress. The best way to describe Madkin ... he is an athlete playing quarterback," Sherrill said. "And he has made himself into a good quarterback."

Madkin directed the late game-winning drive against Mississippi in the Bulldogs Egg Bowl victory and in their Peach Bowl win over Clemson. The biggest improvement

Best bets: Bulldogs will exceed expectations. matchup with Smoot's Alabama WR Freddie Millons will include lots of trash talk. Mississippi State will improve on its 3.1 yards per carry rushing average of last season.

Question marks: Can the defensive linemen who excelled playing part time last season be as effective playing full time this season? Will Madkin become a more accurate passer, which would loosen things up for the running game? Will the rotating tailback system work or does one of the three runners need to step forward and take the

By RALPH D. RUSSO **Associated Press Writer**

OXFORD, Miss. (AP) _ An offense loaded with playmakers has 18th-ranked Mississippi feeling good about people that our defense isn't the 2000 season. A defense with some question marks has tempered some of that optimism. But Ole Miss linebacker Eddie Strong wants everyone to know that his unit is not going to be what holds the Rebels back this season.

"If people think the defense is going to be a weak link on this team well they aren't out there on the field," Strong said. "We're going to show weak."

If Strong is right, David Cutcliffe's second season as Ole Miss coach could be a breakout season for a program that has been on the rise for the past three years. Ole Miss was 8-4 last season, 4-4 in the

Southeastern Conference. The four losses were by a combined 15 points. The Rebels went to_ and won _ a bowl game for the third straight season, when they beat Oklahoma in the Independence Bowl.

This season, the potential is there for Ole Miss to be one of the elite teams in the SEC and play in a New Year's Day bowl for the first time since 1991. Cutcliffe believes how the Rebels handle being a team that is expected to win will determine whether they contend for their first SEC crown in 27 years and win the close games they lost last season.

"It's a challenge that we have to be ready to accept, and I think showing that we're responsible and mature enough to handle that will be key to our success," he said.

The Rebels' backfield, which ranks among the most talented in the country, appears to be built for success. Running backs Deuce McAllister and Deuce is make sure he under-

Joe Gunn, along with senior quarterback Romaro Miller should allow Cutcliffe to be even more creative with an offense that ranked second in the SEC in rushing last season, but second to last in pass-

The spotlight is on McAllister, the versatile 220pound tailback with sprinters speed, who is being touted by Ole Miss as a Heisman Trophy candidate. Injuries curtailed McAllister in his junior season. He ran for just 809 yards in the regular season, but he flashed game-breaking ability on the way to leading the SEC with 1,629 all-purpose yards.

Cutcliffe said the team needs more small positive plays from McAllister to go along with the long highlight reel runs.

What makes him so impressive is his exceptional speed, along with his size and natural ability," Cutcliffe said; What we've tried to do with

stands that we need him to make a lot of great 4-yard runs, too."

To do that and become more durable. McAllister improved his strength during the offseason. He now bench presses more than 400 pounds. "I'm going to grind out yards and be a workhorse," he said. He won't have to carry the load by himself, though. Gunn is theleading returning rusher in the conference and Cutcliffe; has said that he will still be a huge part of the offense. I like, our backs being fresh in the fourth quarter," Cutcliffe said. he 5-9, 205-pound Gunn ran, for 951 yards and 5.1 yards. per carry in '99. I feel like the better I do, the better he'll (McAllister) do, nd that's good for the team," Gunn said.

Miller begins his third season as a starter and second. under Cutcliffe. He threw for 1,999 yards and 14 touchdowns last season. Having a

(9-4 overall). Home stadium: Vaught-Hemingway Stadium.

1999 record: 8-4, 4-4 SEC; t-3rd in Western Division. 1999 postseason: defeated

Oklahoma 27-25 Independence Bowl. Returning starters: five

offense; six defense Impact players-offense: QB Romaro Miller; TB Deuce McAllister; TB Joe Gunn; C Ben Claxton; T Terrance Metcalf; FB Charles

Stackhouse. Impact players-defense: DE Derrick Burgess; MLB Eddie Strong; FS Syniker Taylor.

Key newcomers: WR Chris Collins; OL Doug Buckles;

DT Kenny Jackson.

Best bets: McAllister will lead the SEC in all-purpose yardageand rush for 1,000 yards. Miller's passing numbers will improve. Strong will be an all-SEC selection at middle linebacker.

Question marks: Who catches Miller's passes? Fast but inexperienced receivers must develop. Can Rebels find replacements for their top four defensive tackles, and will they be able to stop the run as effectively without them? Can Ole Miss compete for Western Division title or are they just playing for second place behind Alabama?

played a full season under Cutcliffe, Miller said he is now more comfortable with the offense. "When he got here, me and him really weren't on the same page," Miller said. "I think during lem for the Rebels, Shutting the spring ... I could feel down opponents - especially myself thinking like him Alabama and Georgia on the more." The biggest concern road is more of a concern. offensively will be finding Miller some receivers.

Wide receiver Maurice Flournoy, expected to start, was dismissed from the the summer. Grant Heard, a redshirt last season, returns from a knee injury to fill one receiver spot.

freshmen honors, and junior team," Cutcliffe said. Strong is to the defense, what McAllister is to the offense. He has been moved inside this season and is up to about 250 pounds. "I think it's going to be a tremendous move for us because it'll put Eddie in position to do a lot more things," Cutcliff said.

The Rebels struggled at times defending the pass last season, ranking ninth in the SEC. The secondary, led by free safety Syniker Taylor, will be tested early as Ole Miss opens the season with home games against pass-happy Tulane and Auburn with its experienced quarterback and receivers. The Auburn game will also mark the return of former Ole Miss coach Tommy Tuberville to Oxford - a game Rebels fans have been anxiously awaiting.

one of the league's top cornerbacks after earning All-State second team honors a year ago. Hattiesburg High freshman Keith Kelly (6-0, 170), Taylor Hudson (5-11, 170) and out-ofstaters James Booker (6-1, 180) of Fayetteville, N.C., and Jesse Parker (5-11, 175) of Oak Ridge, Tenn., are also expected to contribute.

James and Jesse are very talented players and will be big assets to our special teams, Daniels said. "Both are tremendours athletes and it's a possibility we could move one of them to wide receiver."

Freshman punter-placekicker Matthew Hoda (5-11, 170) out of West Marion has the talent to become a "big time player," says Daniels.

'Matt only played his junior and senior years in high school." Daniels said. "If he continues to develop and improve, he could be a D-1 punter somewhere a couple of years down the road. He has as much untapped punting ability as anybody that has played here in my six years."

Sophomore Jack Byrd (5-11. 160) of Picayune returns as the

Wildcats' placekicker after lead-

ing the team in scoring last season with 27 points.

He finished the season in a three-way tie as the state's third best field goal kicker, hitting on six of eight attempts. He missed only one extra point the entire season.

"Jack had an excellent freshman year and has the potential to become an outstanding placekicker," Daniels said. "He is a solid student in the classroom and should be heavily recruited for the next level."

The Wildcats open their season with four straight Thursdaynight games, beginning with Mississippi Delta on Aug. 31. Back-to-back road games follow against Coahoma in Clarksdale and Holmes in Goodman, then Hinds visits on Sept. 21.

Five straight Saturday games follow: Jones at Ellisville Sept. 30, Southwest at Poplarville Oct. 7, Copiah-Lincoln at Wesson Oct. 14, Mississippi Gulf Coast at Perkinston Oct. 21, and Northeast for homecoming Oct. 28. PRCC closes-out the regular season against division foe East Central Thursday, Nov. 2.

As SSC continues to strive to meet thier goals and fill the gaps, the Rocks have to be mindful of the division that they play in during the season. The Rocks will again compete in Division 7-Class 4A. The Rocks will have diviagainst contests sion High, Hancock, Bay Columbia, Picayune, Pearl River Central, Oak Grove, and Petal. Their non-division games include St. John, Pass High, Long Beach, and d'Iberville.

Kenson commented, "We will have a very competitive district. There will be battles every night at each stadium. Any team in this division can win on any given night. There are no easy games. Oak Grove is perhaps the most improved team in the division. Picayune has lost some players but they always field a highly competitive team. Hancock and Bay High both have new head coaches and will be running different schemes than in the past. Columbia and Petal lost some players but they always have athletes to replace them and not skip a beat. From top to bottom, this division is extremely competitive."

The Rock-a-chaws return a veteran coaching staff for the 2000 football season. Dave Kenson is the head coach returning for his fourth season. His top assistant and defensive coordinator is Stan Dellenger who is returning for his sixth season. Mike Stumpf returns for a second season at SSC and will coach the offensive and defensive lines. Will Seymour, entering his third season, is the junior high head coach and will also coach the outside linebackers and special teams on varsity. Richie Santiago is an offensive coordinator on the junior high and will be in the press box during varsity contests with Seymour. Santiago is in

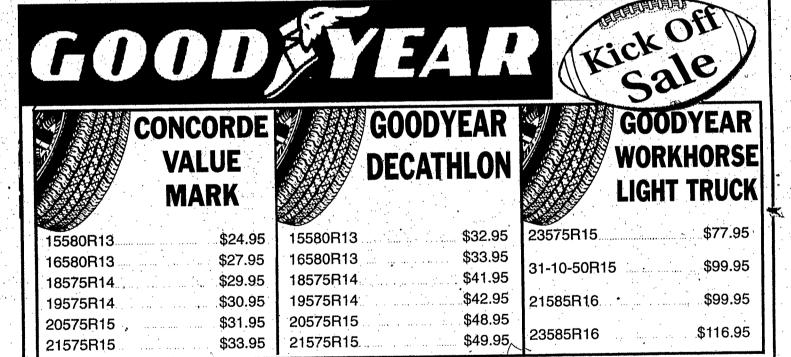

his second season with the Rocks. The lone newcomer to the SSC coaching staff is Brian Keys. He will coach running backs, tight ends. and defensive backs.

Continued from Page 4

Kenson feels confident with his senior players and their leadership heading into this millenium season. He states, "I know the players that we have returning this season will play well for us How well our team does will depend on some young players stepping up and helping
